Fostering Innovation and Excellence in MSAD No. 75 Schools

The Tarpy-Roberts Student Scholar Award is given to a graduating senior who has demonstrated extraordinary academic performance, financial need, and a strong commitment to attend an institution of higher education. This award commemorates the compassionate generosity of those individuals who enabled Nellie M. Livingston and James H. Roberts to attend college, and later to become educators, at a time when such ambitions were difficult even to imagine. Those acts of generosity reflect a belief that education, and the caring support that individuals make on behalf of others to provide educational opportunities, are central to the health of our nation's future.

Applications should be received by the MTA Guidance Office by May 1 of each calendar year. For consideration please include a **cover letter, application, and Mt. Ararat High School official transcript documenting a GPA of 3.8 or higher, and a letter of acceptance from an institution of higher education.** The scholarship in the amount of \$2,000 will be disbursed to the awardee after completion of the awardee's first semester at an institution of higher education. Please submit an official college or university transcript to Trust For Our Future Office, C/O Holly Kopp, 50 Republic Ave, Topsham, Maine 04086, or to TFOF@link75.org, along with your current address for disbursement of scholarship funds.
